Dear Friends, Neighbors, and Supporters,

First, an announcement...

This Tuesday November 6 is Election Day. Polls are open from 6am – 8pm at your usual location. If you can't make it to the poll on Tuesday, you are entitled to vote at the Morris County Clerk's office on Monday between 8:30am and 3:00pm. (County Administration Building, Court Street, Morristown) For more information, call 973-285-6066.

Now the urgent business...

I have been your Committeeman for almost six months, and I am working hard to offer new ideas on how to improve our community. I am pushing for fiscal responsibility and to enhance our quality of life. However, it has been difficult for me to represent you as well as I can because the other Committee members block discussion of my proposals. Without a second, the debate is stymied. This is not the way you want your government to work.

Because of this -- and for many other reasons -- I am supporting **Ron Goldberg** for election to the Township Committee. Ron would make an excellent Committeeman. He has the courage and wisdom to welcome debate of issues vital to improving our community.

Ron Goldberg

Ron is the authentic candidate of change. He is an independent thinker who will open up discussion on a wide range of issues. I encourage you to visit his website at www.RonGoldberg.net

Over the past three years, Ron has attended over 100 township meetings to prepare himself to represent you. He listens, questions, understands, and then offers ideas. The small ripples he creates have served to make all of us more aware of what is happening at our municipal hall.

Ron believes in open public discussion and wants even the tough issues out in the open. He's a thoughtful guy who studies the issues, considers the alternatives, and comes up with suggestions to help shape the debate.

And Ron is the seasoned leader we need: a decorated Vietnam

veteran, retired US Navy Commander and successful business executive. He has a Bachelor's Degree in English Literature and a Master's Degree in Molecular Biology.

Ron and his wife Marji have lived in Morris Township for 26 years, and their children went through our public schools. Over the years, Ron has been a leader in many volunteer activities including Cub Scouts, Boy Scouts and Morris United Soccer.

Now Ron wants to use his talents and experience to bring a more open and effective government to Morris Township. Simply put, **Ron Goldberg is the most qualified candidate for the Morris Township Committee.**

No wonder Ron has been endorsed by the Morris NewsBee and by the Policeman's Benevolent Association (PBA) in Morris Township. Here is a direct quote from the NewsBee editorial:

Ron Goldberg is a genuine policy wonk who has attended more than 100 Township Committee meetings and has run for committee twice before. He has a tendency to grandstand and has brought residents into Township meetings as if to wage his campaign before the governing body.

We endorse Goldberg for one reason, and it has to do with Caffrey's campaign literature. Caffrey is playing on the defensive in the campaign. Why do we say that? Because in Caffrey's literature he calls himself the candidate who can best bring "the change township voters want."

We're not sure what kind of change Caffrey is talking about because anyone who has been paying attention would know if voters really want change, another Democrat on a committee that hasn't seen Democrats with any kind of power at all in 30 years is what is going to cause it. Republicans may not like Goldberg's ideas but he's the one that really has them.

Vote for Ron Goldberg.

Morris NewsBee - October 24, 2007

Please continue to support significant change in Morris Township by **voting for Ron Goldberg on Tuesday November 6**. Give Ron and me the chance to work together to improve our community. Please forward this note on and urge others to vote for Ron too.

Sincerely,
Jeff Grayzel
Committeeman, Morris Township Committee
